Rubbish Skips – 28th to 31st August 2020

Due to this year's COVID-19 health emergency our usual May Bank Holiday weekend 'Skip-Visit' could not take place, skips will now be onsite during this year's August Bank Holiday weekend - 28th to 31st August 2020.

Skips will be open & under supervised use (with reference to current COVID-19 rules in force at the time) from 10am till 12 Noon & 2pm till 4pm on each of the days.

The skips will be locked outside of these times and because of events in 2019 when the skips were onsite, the area will now be covered by CCTV to prevent fly-tipping.

Space will be on a first come first use basis; there is no guarantee that there will be space for your 'stuff'. Once they are full, they're full.

Until then or even now! If you have rubbish on your plot, then you **must** take responsibility for it; **do not dump** it elsewhere on the site. With local recycling centres now open, you can now Click & Tip. To book your slot, click [here](#).

What you CAN put into the Skips? - They are only for non-organic waste such a Metal/Plastic/Glass/Old Carpet. They are **NOT** for House-hold Waste.

What you CANNOT put into the Skips?

THIS MEANS NO:-

- **House-hold waste**
- **Weeds**
- **Grass**
- **Soil**
- **Stones**
- **Bricks**
- **Tyres**
- **Asbestos**
- **Timber/Wood.**

Your cooperation is appreciated in following these restrictions.

Many thanks
