## SPECIAL BULLETIN – 87

### Proposed Memorial Garden

As mentioned in the previous newsletters that agreement has been reached with WTC to turn Plot F30 into a Woodley Allotments Tenants Association Memorial Garden.

With various planting and seating, the Committee hopes that this plot can become an area of quite reflection where people can remember past allotment tenants, including Scott Golding, David Stares, Peter Mckay and others who have all contributed to the success of our allotment site over the years.

You can see a suggestion of a layout of the Proposed Memorial Garden below.

We are now ready to begin work on clearing the plot in preparation for erection of trellis work and begin to set out the basic design of the garden itself.

We propose running our first working party on the 9th, 10<sup>th</sup> & 12th of March and would like to welcome any allotment tenant that can spare some time to help us in getting this project off the ground.

If you can help, please drop me an email to the address below and I will add your name to the list of people who have already volunteered.

We'll even provide some coffee and snack to help keep us going. I hope that you can join us on some of these days.

We would still like to hear from all tenants that may have comments/suggestions for the proposed Memorial Garden. Please free to contact me on the email address below.

Many thanks
